

**Statistics 300:
Introduction to Probability
and Statistics**

**Orientation:
First Class Hour**

**How do I contact the
Professor – Mr. Larsen?**

Phone: (916) 346-6324
E-mail: lclarsen@comcast.net
this is better than CRC e-mail
then call (phone) to alert to e-mail

**Where do I go to see an
archived class video?**

[http://crc.losrios.edu/de/tv_archive_pages/
stat300tth_spring2007.htm](http://crc.losrios.edu/de/tv_archive_pages/stat300tth_spring2007.htm)

Where do I go to find class materials online?

**<http://wserver.crc.losrios.edu/~larsenl>
(Last character is a letter not a number)**

How do I ask a question from home during class?

- Call the class number: 691-7600 or 1-800-253-5262
- Tell operator who you are
- Wait to be patched into the room
- Ask question
- Noises around you will also be heard

Method #2 -- How do I ask a question from home during class?

- Before class starts
- Call the class number: 691-7600 or 1-800-253-5262
- Tell operator who you are
- Wait to be patched into the room
- Leave phone under a pillow
- When needed, say "Excuse me ..."
- Ask question when instructor says "Go."

How does class participation work?

- Everyone is expected to attend in person or from a remote location
- Instructor may call on you from time to time for an answer or an idea
- At that time, call the classroom
- When patched in, do your part.

How do I handle quizzes?

- Quizzes are OK for study groups
- Do enough practice problems to get understanding of material
- Use the quizzes to test yourself
- Use book and notes as needed to finish each quiz
- Submit quiz by the deadline

How do I submit quizzes?

- Quizzes can be submitted in 3 ways
 - Drop off the quiz in person, either in class by due date or at the Media Center by the due date
 - Mail quiz so it is postmarked no later than the day after the due date
 - Fax your quiz to the Media Center Fax number by due date: (916) 691-7476

What is an “exam window”?

- **Because Distance Education classes help serve those who have difficulty getting to campus, exams can be taken during a “three day window”**
- **Exams can be taken on the two weekdays before the announced date**
- **But, yYou must arrange your exam date and time in advance**
