### TIP:

Make sure you have your Connect Math **access code** as well as your **course code** before you register. Your course code will be provided to you by your instructor.

## Step

Enter your course code

# 2

Students: Sign Up

To complete your registration, enter your 10-character course code below. You should have received this code from your instructor.

Course code:  [what's this?](#) » Continue

A course code has 10 alphanumeric characters (sample: 98JH7-BV4D9). You should have received a course code from your instructor.

Please ask your instructor for the course code, and enter it into the fields to register with Connect Math.

# Step 3

### Confirm Enrollment Information

You are about to register to use Connect Math in the following course. Please check the course details carefully. If the information is correct, click "Continue." If the information is incorrect, click "modify" to enter another course code.

	Course: Hendricks Beginning Algebra - 100	<a href="#">(modify)</a>
	Book: Beginning Algebra DEMO, 1st Ed., Hendricks, Chow	
	Instructor: Prof. Math	
	School: McGraw-Hill Connect	
<input type="button" value="» Continue"/>
