### **CRIME ALERTS (TIMELY WARNINGS)**

The campus crime alert is designed to give students, staff, and faculty a timely notification of crimes, to heighten safety awareness, and to seek information that will lead to the arrest and conviction of perpetrators who commit violent crimes against persons or major crimes against property. The Los Rios Community College District will issue a Crime Alert Bulletin when a crime is reported to the Los Rios Police Department or local police jurisdiction that represents a serious or continuing threat to the safety of the campus community.

A threat is defined as any act or potential act that places the campus community in continuing risk or peril, as a result of a crime(s) against persons or serious felony (i.e. threats with a firearm, a bomb threat with specific information, sexual assault, kidnapping, or other egregious acts).

Crime Alerts will be distributed to the campus community using various mediums of communication. The Los Rios Police Department and the Public Information Officer in coordination with campus and district administrators are responsible for assessing the need for and the distribution of the crime alerts. Situations will be assessed on a case by case basis, with great weight given to the Los Rios Police

Department's assessment of the total situation, including the best use of resources. The type of event or situation will be reviewed by the Los Rios Police Department and the Public Information Officer to determine the most effective method to distribute the crime alert information.

When there is a possible public safety related "threat" to faculty, staff, and students on campus, the Los Rios Police Department and the Public Information Officer will make reasonable efforts to notify the faculty, staff and students via one or more of the following methods:

- Crime Alert Bulletins (timely warnings) will be sent to faculty, staff, and students via email.
- Crime Alert Bulletins will be posted on the Los Rios Police Department's Web site.
- To notify students, faculty will be asked to make announcements in their classes.
- Crime Alert Bulletins may be put at the entrances to major student gathering places (i.e., Library, Learning Resource Center, Student Services, Cafeteria etc.), and/or on buildings that are directly impacted by the event.
- The Los Rios Police Department and the Public Information Officer will determine whether the notice of threat will be made on campus only or disseminated to off campus sources.
- The Public Information Officer will notify the media, as appropriate, in order to inform the campus community.

Crime Alert Bulletins will be posted/ distributed as soon as practical or within 48 hours of the event, depending on the severity of the event, resources, and the factual information gathered. Crime Alert Bulletins will be removed in a timely fashion after the event has subsided or the potential for danger is gone.

Crime Alert Bulletins will contain:

- A succinct statement of the incident (who, what, when, where, how, time reported etc.)
- Any bias motive
- Any connection to previous incidents
- Physical description of the suspect
- If relevant, gender of the victim and student/non student status
- Date and time the bulletin was released
- Safety tips related to the prevention of similar crimes
- A crime alert number, calendar year, campus/site identifier, and associated report number (i.e. 0108SCC1234. Each campus will begin with 01 at the beginning of each calendar year)

## **THE ANNUAL DISCLOSURE OF CRIME STATISTICS POLICY (ANNUAL CLERY REPORT)**

The Los Rios Police Department is responsible for gathering and disclosure of crime statistics. The annual security report for the Los Rios Community College District includes statistics for the previous three years concerning reported crimes that occurred on campus, in certain off campus buildings or property owned or controlled by the Los Rios Community College District and on public property within, or immediately adjacent to and accessible from the campus.

In accordance with mandated reporting requirements, information concerning the monitoring and recording of any criminal activity in which students engaged, at off campus locations and/or within student organizations that are officially recognized by the district, are gathered from local police agencies. These agencies include any city, county, state, or federal agencies that may have relevant information. These agencies are sent a letter yearly encouraging the reporting of these crimes or incidents. The letter is sent out at the beginning of each calendar year. The statistics provided are published in the disclosure.

The Los Rios Police Department is aware that crimes may go unreported to law enforcement and encourages employees of the Los Rios Community College District, who have significant responsibility for students and student activities, to report to the Los Rios Police Department any crimes that they may have become aware of in their daily contact with students. As a reminder, annually a letter is sent out encouraging the collection and reporting of crimes or incidents. Certain Deans, Directors or other administrators, Faculty Advisors and Student Academic Advisors, Student Activities Advisors and Coordinators are all included in the yearly notification. These individuals are designated as Campus Security Authorities. Faculty (except for Advisors), Physicians, Counselors and Clerical Staff are examples of employees who are not required to report as Campus Security Authorities under the Clery Act.

The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault and other matters. Each year by October 1st, an email notification is made to all enrolled students, faculty, and staff. Hard copies of the report are available at all Los Rios Police Department Offices. For specific locations and contact information, see the web site: <http://wserver.crc.losrios.edu/~police/>. Prospective students and employees receive the notice of availability in the application process. Notices of availability of the annual report are printed the course catalogs and schedules. The notice of availability is also printed in various other publications like student and faculty handbooks (campus specific).

## REPORTING OF CRIMINAL OFFENSES POLICY

### Procedures for reporting a crime or emergency on campus or at outreach centers:

Students, faculty, staff, and guests are encouraged to immediately and accurately report all crimes, emergencies, suspicious activity and any other public safety related incidents to the Los Rios Police Department (LRPD) at (916) 558-2221 or ext.2221 from campus phones. Emergency calls to (916) 558-2221 go to the Los Rios Police Communications Center (LRPCC) which is staffed with trained dispatchers 24 hours a day, seven days a week. You may also dial for community based emergency assistance from a standard on campus phone by dialing 9-911. When calling (916) 558-2221, you will hear the following prompt:

"You have reached the Los Rios Police Department. All calls to emergency lines are recorded. If you have an emergency or you need an officer dispatched to your location for assistance, press zero now." If you press zero, your call will be immediately routed to the LRPCC and a dispatcher will assist you. **You do not need to listen to the entire prompt. If you have an emergency, press zero immediately.**

There are also many "blue light" emergency telephones located throughout the campuses which ring directly into the LRPCC. These autodialing phones may be used to summon police, fire or medical assistance. See campus maps for specific locations.

### What is considered an emergency?

- Medical need
- Fire
- Crime in progress
- Traffic accident
- Disruptive person/group
- Or any other reason that would require an emergency response

### Why would I need an officer dispatched to my location if it is not an emergency?

- To take a police report for a crime that has already occurred
- To request a safety escort
- To request a funds escort
- To request jump start or unlock service
- Or for any other reason that would require an officer to respond to a specific location.

### **Procedures for Reporting Crimes or Emergencies Off Campus:**

The Los Rios Community College District (LRCCD) does not have off campus student housing or student organization facilities. The off campus emergency telephone number is "911". Use this number for community based fire, police and medical services. Refer to local telephone directories for further information.

### **Procedures for Requesting Non Emergency Assistance On Campus or at Off Campus Outreach Centers:**

Contact the Los Rios Police Department at (916) 558-2221 or ext. 2221. Listen to the prompt. If you do not press zero for emergency assistance, the prompt will continue and you will hear: "If you need non-emergency assistance, please listen to the following options: For **facilities or access** issues during non-business hours [8AM-5PM, M-F], press zero. For **parking permit** or **citation information, lost and found inquiries** or other **general information**, for American River College and its centers press (1), for Cosumnes River College press (2), for Folsom Lake College and its centers press (3), for Sacramento City College and its centers press (4)." If you press 1, 2, 3, or 4, your call will go to a clerk or dispatcher at the corresponding campus and he or she will assist you. **With the exception of facilities and access issues, Nonemergency calls will only be answered during business hours (8AM-5PM M-F).**

"Blue" emergency phones may also be used to request non-emergency assistance like requesting safety escort, unlock, or jump start services. These phones ring straight through to the LRPCC. "Blue" emergency phones are located throughout the campuses. See campus maps for specific locations.

### **What are facilities or access issues?**

- Heating and air conditioning problems in a classroom/office
- Plumbing or electrical problems
- Lighting problems
- Faulty fire/intrusion alarms
- Safety hazards
- Classrooms/facilities that need to be locked/unlocked
- If you are a District employee who will be using a facility after normal campus/center/FM/District operating hours
- Or any other problem related to facilities and access that would require a technician or maintenance person to respond

## **CONFIDENTIAL REPORTING OF CRIMES**

The Los Rios Police Department encourages the prompt reporting of crime to the Police Department. Because police reports are public records under state law, the Los Rios Police Department, in some circumstances, cannot hold reports of crime in confidence. Confidential reports for the purposes of inclusion in the annual disclosure of crime statistics can be made to other campus security authorities. The purpose of confidential reporting is to comply with the reporter's request for confidentiality, and yet allow the Los Rios Police Department to maintain accurate records to ensure the safety of the community.

## **SECURITY AND ACCESS**

The Los Rios Police Department provides 24hour patrols of campus buildings, property, and parking lots. Officers investigate crimes, alarms and suspicious incidents and persons, and provide responses to medical and fire incidents on the premises. Campus facilities and buildings are generally open to the campus community, visitors and guests Monday Friday from 7AM-11 PM and as certain special events dictate. Staff is encouraged to lock any doors not in use. Custodial and College Police staff regularly checks the security of the buildings.

Campus shrubbery, trees and other vegetation are routinely trimmed and artificial lighting is maintained with safety issues in mind. The campus community is encouraged to report unsafe conditions, safety concerns, exterior lighting issues or telephone malfunctions to Campus Operations, Facilities Management or the Los Rios Police Department. The Los Rios Community College District does not have campus residences.

## **POLICE AUTHORITY AND JURISDICTION**

The Los Rios Police Department has primary law enforcement jurisdiction for all criminal incidents occurring on campus. This includes incident investigation, follow up and resolution. Los Rios Police Officers work in conjunction with a number of outside agencies, such as the Sacramento County Sheriff's Office, the Sacramento Police Department, and local fire and emergency medical services.

The Los Rios Police Department is a full service police agency that is staffed seven days a week, 24 hours a day. We employ peace officers, campus safety officers, campus patrol officers, and student patrol officers. Their specific powers and authority are:

Peace Officers: The peace officers have statewide police authority, full powers of arrest and are vested with law enforcement powers pursuant to California Penal Code Section 830.32. Peace officers enforce local, state and federal laws both on and off campus. Their police authority includes concurrent jurisdiction with municipal and county agencies on adjacent streets and in the surrounding

community. Peace officers meet ongoing training requirements as mandated by the California Commission on Peace Officer Standards and Training (POST), as well as additional training designed to meet the needs of the college community. Law enforcement duties and responsibilities of our peace officers are comparable to local police departments and sheriff departments in adjacent communities.

All Other Officers: Campus safety officers, campus patrol officers, and student patrol officers are all agents of the district. They each have the same powers of arrest as a private citizen.

## **HEALTH AND SAFETY POLICY**

### **Alcohol Policy**

The Los Rios Community College District complies with the Drug Free Workplace Act of 1990 and the Higher Education Act Section 120a. Excessive use of alcohol and other drugs is a serious health problem in itself, but alcohol and drug abuse can also contribute to a host of other physical and mental health problems such as unwanted pregnancy, violent behavior, HIV infection and other sexually transmitted diseases and psychological depression. Students found in violation of the district's alcohol, drug and weapons policies may be subject to academic probation suspension or expulsion. Parents or guardians may be notified about any disciplinary violation involving alcohol or a controlled substance which has been committed by a student who is under the age of 21.

The possession, consumption or transportation of alcoholic beverages on Los Rios Community College campuses or in district owned facilities is generally prohibited as a matter of institutional policy. Los Rios Community College District and the Los Rios Police Department are very concerned about the abuse and over consumption of alcoholic beverages by students. It is the belief of the Los Rios Police Department that education as well as strict enforcement of local, state, and federal laws will help to control the abuse of alcohol on campus. Education regarding the dangers of alcohol abuse will provide students the opportunity to make informed choices regarding its use, while strict enforcement will help to ensure the safety and security of the campus community. It is important to note that the Los Rios Police Department will investigate and prosecute, to the fullest extent of the law, any violation of local, state, or federal laws pertaining to the use, possession, or sale of alcohol. Successful prosecution can lead to fines, incarceration in county jail, or incarceration in state prison, depending on the violation that was committed.

Visit the campus health and/or counseling office for alcohol abuse prevention programs offered by the district. The health and/or counseling office provides culturally sensitive information about alcohol and other drugs to our diverse campus community. The use of alcoholic beverages must be in compliance with state law and is strictly limited to those persons 21 years of age or older. The

possession, transportation, and/or consumption of alcohol by individuals less than 21 years of age is strictly prohibited and enforced. Alcoholic beverages may not be transported or consumed on district property. This is formalized in District Policy 2443.

### **Controlled Substances Policy**

The Los Rios Community College District complies with the Drug Free Workplace Act of 1990 and the Higher Education Act Section 120a. The Los Rios Police Department strictly enforces state and federal laws, as well as the district's zero tolerance policy, for the unlawful manufacture, distribution, dispensing, possession or use of illegal drugs on district property or at any district sponsored event off campus. Violators are subject to criminal prosecution and/or disciplinary action. This is formalized in District Policies 2441 and 2443.

State law prohibits the possession of weapons, all firearms, fireworks, explosives or any dangerous weapons on campus. Refer to Penal Code sections 12020, 626.9 and 626.10. Violators are subject to criminal prosecution and/or district discipline. The Los Rios Community College District supports the federal guideline (37.007.1EdCode) that prohibits handguns on campus. The possession of a firearm on district property is prohibited and strictly enforced. The only exception for persons legally authorized to possess firearms on district property. Persons in violation of this regulation will be subject to criminal and/or disciplinary action. This is formalized in District Regulation 2441. If you observe a firearm or

other weapon on campus, contact the campus police immediately at (916) 558-2221 or Ext. 2221, press zero, or dial 9911.

### **Workplace Violence**

The district is committed to creating and maintaining a working, learning and social environment for all employees that is free from violence. The District has zero tolerance for violence against any member of the workforce, other persons in the workplace, or property. This is formalized in District Regulation 6164

### **Sexual Harassment**

Sexual Harassment is prohibited on campus and is defined as unwelcome sexual conduct; sexual advances, requests for sexual favors, and repeated derogatory sexual remarks. Violations by employees are subject to disciplinary action ranging from oral warnings to dismissal from employment. To make an inquiry or complaint against a district employee, contact the Los Rios Police. To make an inquiry or complaint against a district student, contact the Los Rios Police Department. This policy is formalized in District Regulation 2424

## **SEXUAL OFFENSES AND OFFENDERS**

### **Sexual Assault Prevention Programs**

Crime prevention pamphlets are available in the Los Rios Police Department lobby. The Los Rios Police Department has officers available for the Orientation Program, to inform prospective students and their parents of available police services and programs. Similar presentations are available for new employees and international students as well. Sexual Assault Workshops are presented for the students and staff each semester. Safety talks are provided upon request, for any office, organization or classroom as needed on campus. If you become the victim of a sexual assault

- Get to a safe place.
- Notify the police agency having jurisdiction of the location where the crime or attempted crime occurred.
- Seek medical attention whether or not you intend to notify the police, even if you have not been seriously physically injured. A medical examination is important to check for sexually transmitted diseases, other infections, injuries, and pregnancy.
- Help preserve evidence. Physical evidence is paramount in helping to prosecute assailants. Evidence generally must be collected within 72 hours of the assault and only by a certified medical facility upon the request of a law enforcement agency. To preserve evidence after an attack, you should not change your clothes, bathe, shower or take any other personal hygiene action before contacting police. If it becomes

absolutely necessary that you change your clothes, each item should be packaged separately in a paper bag. If oral contact took place, do not brush your teeth, use mouthwash or smoke. Do not straighten up the crime scene.

### **Reporting the Sexual Assault**

The Los Rios Police Department is committed to ensuring that students, employees, and other persons who have been sexually assaulted are provided treatment, medical and counseling assistance and information, and that they are treated with sensitivity, dignity and confidentiality. Every effort is made to ensure that our campus environment promotes and assists in prompt reporting of sexual assaults and provides compassionate support services for victims. Prompt reporting of sexual assaults is encouraged. Sexual assault includes, but is not necessarily limited to, acts or attempted acts of rape, forced sodomy, forced oral copulation, rape by foreign object, sexual battery and acquaintance/date rape. Sexual assaults may be reported to any agency which provides a variety of support options and resources:

- Los Rios Police Department Ext. 2221 or (916) 5582221
- Other Police Departments 911
- LRCCD Counseling Offices
  - American River College (916) 4848572
  - Cosumnes River College (916) 6917316
  - Folsom Lake College (916) 6086510
  - Sacramento City College (916) 5582204
- Rape Crisis Line (Sexual Assault) (916) 9202952.

If requested, Los Rios Community College District employees will assist a victim in making a report. Reports may be made anonymously. A victim may request academic counseling to change their course schedule after a sexual attack, if the changes are reasonably available. Contact a college counselor for academic changes.

### **Criminal Prosecution**

Notification of the police agency having jurisdiction over the location where the crime or attempted crime occurred begins the criminal prosecution. The Los Rios Police Department can facilitate contact with other agencies or provide information as to how to contact them. Trained police officers will facilitate medical and counseling services, referrals, and evidence and information collection. You will be interviewed at a location of your choice and will be allowed or offered an advocate(s) to accompany you during all aspects of the investigation. The protection of the victim's name and any identifying information will be of the highest priority. Your written consent is required under California law before this information can be disclosed. Your decision to prosecute does not

necessarily have to be made during initial contact with officers and your decision determines officers' subsequent investigation protocol. Officers have legal authority to arrest as appropriate and to forward the case to the District Attorney's Office for criminal prosecution.

### **Civil Prosecution**

Victims can consult an attorney about initiating a suit in civil court for damages against the assailant. The purpose of a civil suit is to compensate the victim for the wrong done to them. A civil action can be brought against the assailant regardless of the decision to criminally prosecute.

### **District Disciplinary Procedure**

If the assailant is a student, besides criminal and civil action, campus administrative action may be initiated. A student charged with sexual assault may be sanctioned by the LRCCD. Sanctions may include, but are not limited to: probation, counseling, suspension or expulsion. If the assailant is a faculty or staff member, besides criminal and civil action, they may be subject to disciplinary action under applicable personnel policies or collective bargaining agreements. Report suspected employee misconduct to the Los Rios Police Department. The Los Rios Community College District is committed to providing judicial and disciplinary proceedings that are supportive, sensitive, expedient, and respectful to each individual's rights. Both the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding, and both must be informed of the outcome of any institutional disciplinary proceeding brought alleging a sex offense.

### **"Megan's Law"**

Persons convicted of certain sexual offenses are required by law to register with the law enforcement agency where they live. If the person is attending or employed by the Los Rios Community College District, they are required to register with the Los Rios Police Department also. Please visit the California Attorney General Office website at <http://www.meganslaw.ca.gov/> to search for registered sex offenders in your area.

### **Procedures for Sex Offenders on Campus**

Sex offenders **MUST** register at the Los Rios Police Department at the time of enrollment AND/OR employment. This must be done by appointment. Sex offenders **MUST** notify the Los Rios Police Department upon their decision to not attend AND/OR not to work for the Los Rios Community College District. Students and/or Employees required to register **MUST** contact the College Police Office of EACH campus they will attend classes at.

## **SECURITY AWARENESS AND CRIME PREVENTION PROGRAMS**

The reason crime happens is well known. Crime happens because there is a CRIMINAL to commit the crime, a VICTIM who can be victimized by the criminal, and the LOCATION or OPPORTUNITY for a crime to occur.

You can reduce the likelihood of being the victim of criminal activity if you take away the OPPORTUNITY for the criminal to make you his victim.

Students, staff, and visitors need to take responsibility for the safety of their persons and property. Everyone should also do their best to help others with this responsibility. The Los Rios Police Department has several ways to help you learn more about safety.

Crime prevention pamphlets are available in the Los Rios Police Department lobby. The Los Rios Police Department has officers available for the Orientation Program, to inform prospective students and their parents of available police services and programs. Similar presentations are available for new employees and International Students as well. Safety talks are provided upon request, for any office, organization or classroom as needed on campus, based on the availability of a police presenter. The intranet as well as printed material is used by the Los Rios Police Department for the dissemination, department presentation, crime prevention tips and newsworthy information.

The following crime prevention materials are available at our front counters at no charge. Simply ask the clerk for the publications that you need.
